## **Certified Power Inc. rebrands as Summus**

*Rebrand provides operational clarity in light of recent business growth*

**MUNDELEIN, Ill., October 9, 2024** – Certified Power Inc. today announced that it will now operate under the name Summus. Summus, and its subsidiaries, will continue to provide the industry-leading technical fluid power and motion control solutions to its current and new mobile and industrial customers.

“Becoming Summus is a major step forward in our plans to expand, grow and create even greater long-term value for our customers, employees and stakeholders,” said Chad Trinkner, Chief Executive Officer of Summus, “Across 31 locations in North America, Summus delivers trusted and reliable solutions to our customers, reinforcing the message that with Summus on your side, nothing can stop you now.”

Summus will continue to expand its organic and acquisition-driven growth strategy following several successful acquisitions in the past 24 months.

As part of the rebrand, Summus will maintain its core brand attributes of quality, technical expertise, reliability and trust. The rebrand also includes a new logo, tagline and overall aesthetic. The Summus blue carries forward the 50-year legacy of Certified Power Inc.
